**The Chicago Office of Emergency Management and Communication (OEMC) offers these Safety Tips:**

- Avoid going out into the heat, especially around mid-day;
- If you do go outside, wear loose, lightly colored clothing and wear a hat with a brim;
- Drink plenty of water-at least 8 glasses a day;
- Get into an air-conditioned space or a cooler part of the house, like a basement;
- Keep shades drawn and blinds closed to block the sun
- Take cool baths or showers; use cool towels & washcloths to cool the skin;
- Slow down, avoid or minimize physical exertion; and
- Don't leave any person or pet in a parked car, even for a few minute

Some other tips:

- Limit use of electrical appliances and lights to conserve power;
- Avoid turning hydrants on for cooling ( Reduces pressure per Chicago Fire Dept); and
- Check frequently on patients, family members , and especially the elderly or those with chronic medical conditions.
